## To the Public in General of Barre!

Owing to the abuse of the present credit system and the immense amount of money lost from year to year, we have decided to sell for STRICTLY CASH ON AND AFTER APRIL 1st, 1906, goods to be paid for at our store or when delivered. We take this step believing that the consumer can save from one to five cents per pound on all goods bought from us for spot cash. Watch this space for prices. ## A Splendid Leather!

Patent finished leathers make beautiful footwear, and in spite of their uncertainty as to wearing qualities they will always be largely worn.

But "there's a new Richmond in the field!" Its name is Gun Metal Calf. In the highest-priced custom-made footwear it is a strong favorite. It is soft and pliable; it polishes beautifully; yet it looks well without polishing; it does not scuff or peel; it wears splendidly and is always reliable.

Many of our smartest new models of "Dorothy Dodd" Shoes are made from this leather. Give us the pleasure of showing them. They are ideal Boots for general wear and are moderately priced.

## HAMS

Did you ever taste a Ham that suited you in every respect? "I never did," you say. Well, you just try one of our Green Mountain Brand Hams and if it doesn't fill the bill come in and tell us about it and you will be the first one that one of our Hams has failed to suit. They are not too salt, neither do they lack salt; they are cured perfectly, in fact. We have had many years' experience in this work and know what a good Ham is. People who have tried our Hams say they are the equal of the best Hams made and that they are far ahead of most of them. Let us prove that statement to you as we have to many others.
